Dear Dr. Ozodiegwu,

Thank you very much for speaking today during our MPH class (PUBH 5399 Epidemiology Capstone) on “Application of mathematical models of malaria transmission to inform national strategic planning in Nigeria”. Your presentation was excellent and was thoroughly enjoyed by everyone. We appreciate you sharing your time, talent, and expertise with us.

I look forward to collaborating more with you in the future.

Sincerely,

A handwritten signature in black ink that reads 'Liang Wang'.
